

PORT LUDLOW VILLAGE COUNCIL

## **NOTICE TO WATER SYSTEM USERS FROM OLYMPIC WATER & SEWER, INC.**

---

### **COLIFORM MAXIMUM CONTAMINATE LEVEL EXCEEDED - NON-ACUTE**

**The test results indicated that there was no fecal or e-coli present.**

Beginning Wednesday, January 10, 2018 OWSI will be feeding a small amount of chlorine which will possibly become apparent at the customer taps.

- **AFFECTED AREA:** The South Bay service area lying east of the Ludlow Creek and the North Bay service area east of Oak Bay Road. Additional to this are customers on Osprey Ridge downhill of Wren Ct. including the commercial development containing Snug Harbor Café, Dental Office, Sound Bank and Coldwell Banker.
